LUCIRRE INTERNATIONAL

FROM DREAMS TO DESTINATIONS _____

INTRODUCTION

Lucirre International is a dedicated education consultancy committed to guiding students toward achieving their dreams of studying abroad. We specialize in providing complete support throughout the entire process, including career counseling, university selection, admission assistance, and visa guidance.

With a strong focus on transparency, reliability, and personalized service, we ensure that every student receives the right guidance based on their goals, interests, and budget. Our approach is simple and student-focused, making the journey to international education smooth and stress-free.

At Lucirre International, we believe that studying abroad is not just about education—it is about building a successful future, gaining global exposure, and unlocking new opportunities beyond borders.

ABOUT US

Lucirre International is a trusted education consultancy dedicated to helping students pursue their dreams of studying abroad. We provide complete guidance and support at every step of the journey—from selecting the right course and university to admission assistance, visa processing, and post-arrival support.

Our team is committed to delivering transparent, reliable, and personalized services tailored to each student's goals, budget, and career aspirations. By combining expert knowledge, modern technology, and a student-focused approach, we simplify the study abroad process, ensuring a smooth and stress-free experience.

At Lucirre International, we believe in empowering students with the knowledge, resources, and confidence they need to succeed globally. Our mission is to turn study abroad dreams into reality and help students build bright and successful international careers.

OUR HISTORY

Founded in 2023, Lucirre International began its journey by guiding students to study abroad in Georgia. In 2024, we expanded our services to Europe and enhanced career counseling and admission support. By 2025, we continue to innovate with digital platforms and virtual guidance, helping students achieve global education goals and build successful international careers.

2023

Lucirre International was founded with a vision to guide students in achieving their study abroad dreams. In our first year, we successfully assisted several students in securing admissions and visas to universities in Georgia, laying the foundation for our trusted consultancy services.

2024

We expanded our services to include personalized career counseling, SOP guidance, and full admission support for students across Europe. During this year, our student base grew significantly, and we established a strong presence on social media to reach and guide more aspiring students.

2025

Lucirre International continues to innovate with virtual counseling, modern digital platforms, and enhanced support systems. This year, we aim to guide hundreds of students toward international education, helping them gain global exposure and build successful careers.

VISION & MISSION

At Lucirre International, our vision is to become a trusted global education consultancy, guiding students toward successful international careers. Our mission is to provide honest, transparent, and personalized support in every step of the study abroad journey—from university selection to admission and visa—ensuring a smooth, reliable, and successful experience for every student.
